

magicJack

A VoIP Alternative
\$20 / Year Service

What Is It ?

What's It Cost ?

- \$47 up front cost includes
 - \$20 for USB cartridge + 1' USB extension cable
 - \$20 for first year of service
 - \$7 shipping + handling
- 30 day trial at cost of shipping + return
 - \$7 shipping charged up front
 - \$40 charged at end of trial
- Currently \$20 per year service renewal

Purchase & Shipping

- Purchase at
 - <http://magicjack.com/>
- Shipped by USPS
- Blister wrapped & in bubble bag

Features 1

- Portable cartridge contains all the hardware, firmware, and software
- Cartridge is writeable by the software & stores all private call lists & configuration
- Call any USA & Canadian phone number from anywhere in the world for “free”
- Can use std phone or computer headset
 - Std phone rings on incoming calls
 - Can connect cordless base phone & have additional slave cordless sets in house

Features 2

- E911
- 411
- Call forwarding
- Caller ID
- Voice mail w/ email notification & wave file
- MS Outlook add-in for click & dial out

Requirements

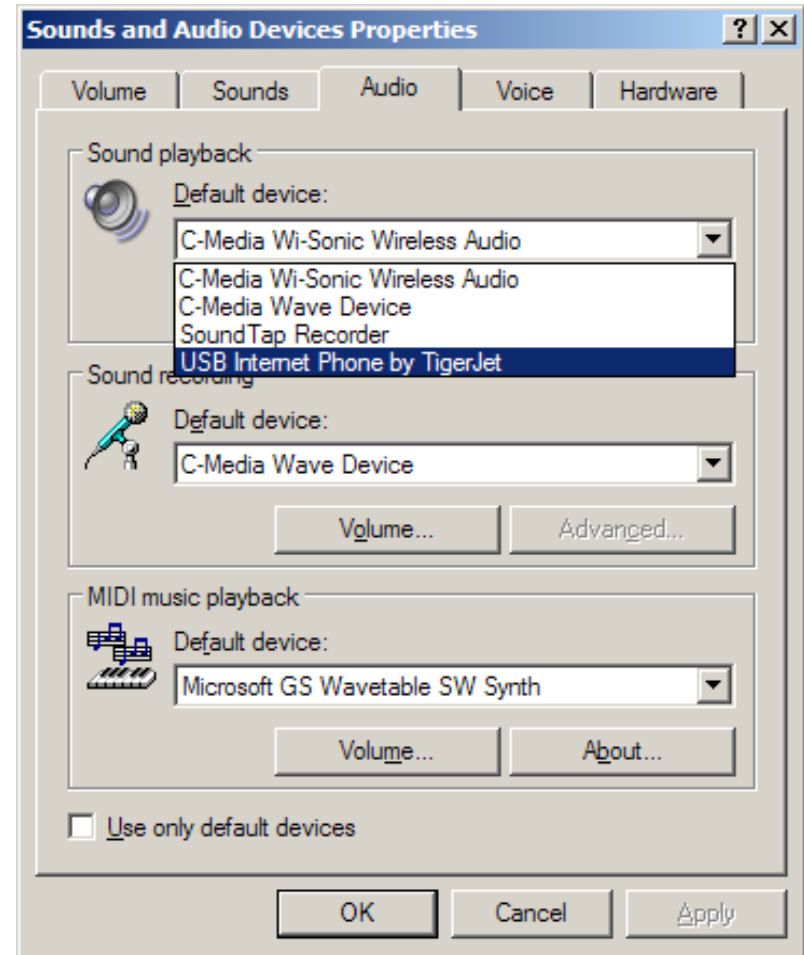

- Windows XP / Vista (maybe 2K)
 - Mac version promised
- Direct USB connection or POWERED hub
- Broadband Internet connection, DSL +
 - <http://myvoipspeed.visualware.com/>
- Computer headset or std corded telephone input
 - May work with FAX (a few users successful)

Negatives 1

- Currently no calls to foreign country numbers
- Like Skype, computer must be running
- No software / registry uninstall
- BETA, doesn't always perform as expected
- Limited number of area codes available
- May inhibit computer booting when plugged-in

Negatives 2

- Creates sound driver that may interfere w/ third party drivers

Setup & Configuration

- Configure computer for best setup & operation experience
 - <http://www.magicjack.com/site/magicfix.html>
- Should autoboot
 - Follow included troubleshooting guide
- Registration required
- E911 setup
- <http://my.magicjack.com/>

magicJack™ REGISTRATION

Choose your number:

Choose your phone number by selecting a state, area code and prefix. The last four digits of your number will be assigned automatically.

State/Province: COLORADO
Area Code: DISTRICT OF COLUMBIA
Prefix: MARYLAND

Please note that 911 service is not available for your registered address, and not the address you select.

Numbers will soon be available for a small fee in 60 days. When this happens, there will be a one-time change allowed. Also, vanity numbers will be available for a small fee in 60 days.

One last option...

I elect to accept free outgoing service (recommended)
